Payment options for busy parents

We know how hard it can be to pay for something all in one go and with a million and one things to consider; gymnastics, birthday parties, swimming lessons and music practice - we thought we could make it easier for you and offer you 2 payment options for your child's coaching. You can either pay for each term in advance or you can spread the cost and pay monthly by direct debit.

Coaching terms

Our sports coaching and swimming programmes are delivered to coincide as much as possible with the City of Edinburgh's school terms. This means our programmes run for 40 weeks over the school year.

The 40 week programmes are delivered in 4 coaching terms:

Autumn 1	August – October	9 weeks
Autumn 2	October – December	9 weeks
Spring 1	January – March	11 weeks
Spring 2	April – July	11 weeks

Payment options

Option 1 – Paying for each term in advance

With this option you would pay for your child's coaching term in advance. As the number of weeks in each term varies slightly the amount you pay each term will also change - see pricing matrix Option 1 for full details.

Once your child is booked into a coaching programme, this payment option will guarantee your child a place in the programme, provided you re-book the following terms coaching within specified priority rebooking dates.

Option 2 - Direct Debit

This payment option allows you to split your payments into equal monthly amounts, with the payments falling due on or around the first of each month. The amount you pay depends

on your child's coaching activity and when you choose to start paying by Direct Debit. You can begin paying by Direct Debit in September, November or January. See pricing matrix for Option 2 for full details.

Choosing this option will also guarantee your child's place in the programme and we will take the responsibility of rebooking them into each new term right up to the end of June, unless you tell us you want to cancel.

There are no hidden costs with either of these options, whichever method of payment you choose the cost will be the same - the choice is yours.

Direct debits FAQ's

Q How do I set up a direct debit for my child's coaching programme?

- Whether you are an existing Direct Debit customer or a new customer to Direct Debit, on an annual basis you will need to complete a separate Junior Coaching Direct Debit Application form and Bank Mandate Form for each child.
- We will complete your application and set up your Direct Debit payments and you will retain a copy for your records.
- Payments will be requested from your bank account on the 1st day of each month, for 10 months starting 1st September with the last payment taken on the 1st June.

Q How are my payments affected if a lesson is cancelled?

- If we need to cancel a lesson for any reason we will try our best to reschedule it or we will refund you the cost of the individual class by adjusting your next scheduled direct debit payment.

Q What happens if I want to change my child's class day or time?

- We can move your child to an alternative class, providing there is a free place at the requested time. If the move incurs a different monthly charge i.e from a 25 minute to a 45 minute lesson, we will contact you to inform you of your new monthly payment.

Q If I want to cancel my lessons will I have to pay for the full year?

- No, you can cancel your child's lessons at any time by contacting the centre.

Q What happens to my Direct Debit after I have made my last payment in June?

- You have 2 options; if your child is staying in the programme for the following year then you will simply need to complete an application form for the following year during rebooking in June 2012 and your monthly payments will continue to come out of your bank on or around the 1st of the month. If your child is stopping at this time then please just let us know and then cancel your direct debit with the bank.

Q What are the advantages of paying by direct debit?

- You can spread the cost of your children's coaching throughout the year, especially pertinent if you have more than one child in the programme and there is no additional cost to pay by direct debit
- You don't need to worry about missing a re-booking date; we will automatically re-book your child into their coaching class.
- Your children's place(s) in their existing classes are guaranteed for the full year, providing the classes remain viable.
